Suspension Guideline

The class students or the parents will be informed via phone by Coach in-charge or sports executive one hour in advance should the class be suspended.

For enquiries, please call 2577 4427 during office hours or contact the coach-in-charge directly.

Gale or Storm Warning Signal No. 8 or above , Extreme Conditions

- All classes will be suspended when Gale or Storm Warning Signal No. 8 or above , Extreme Conditions , is announced by the HK Observatory to be issued 2 hours before class session.
- All classes will be suspended when Gale or Storm Warning Signal No. 8 or above , Extreme Conditions , is issued by the HK Observatory during the class session.
- Observatory cancels Gale/Storm Signal/Extreme Conditions No. 8 or above or changes to Strong Wind Signal No. 3 or below:
 - All indoor classes will resume 2 hours after cancelation.
 - All outdoor classes will be subject to the final decision of the Coach In-Charge.

Note: If the remaining class time of the affected training course exceeds half of the full session time due to the hoist of Extreme Conditions/Gale/Storm Signal No. 8 or above, the Section will arrange make-up classes at another date. (Except monthly fee classes/summer classes)

Strong Wind Warning Signal No.3 or below

When Strong Wind Warning Signal No. 3 or below is issued by the HK Observatory:

- All indoor classes will continue.
- All outdoor classes will be subject to the final decision of the Coach In-Charge.

Black Rainstorm Warning Signal

- The class will be suspended when the Black Rainstorm Warning Signal is issued one hour before the specified class hour (Classes will be re-scheduled).
- Indoor class will continue when the Black Rainstorm Warning Signal is issued during the class session.
- After the Black Rainstorm Warning Signal is cancelled:
 - All indoor classes will resume 2 hours after cancellation of the Black Rainstorm Warning Signal.
 - All outdoor classes will be subject to the final decision of the Coach In-Charge.

Red rainstorm/Amber rainstorm/Thunderstorm Warning Signal

When the Red/Amber Rainstorm/Thunderstorm Warning Signal is issued by the HK Observatory:

- All indoor classes will continue.
- All outdoor classes will be subject to the final decision of the Coach In-Charge.
